

CREATE:

Achieving the Community Allowance

Stories

Read some real life stories of people and organisations that have experience of the benefits trap. These stories are all true but names of people and organisations and their location have been changed to protect their identities.

Do you have an experience you'd like to share? [Contact us](#) if you'd like to tell your story of how the benefits system has held up the regeneration of your community and we'll publish it here.

Individuals

 [Gwen - North Wales](#)

 [Ian - Newcastle](#)

 [Nelson - London](#)

 [Karen - Birmingham](#)

 [Neela - Sussex](#)

Organisations

 [Community Development Project - Manchester](#)

 [After School Club - Cornwall](#)
